Help with Toilet Training

BEFORE STARTING TO TOILET TRAIN

- Start changing your child in the bathroom.
- Change your child standing up once they can manage that.
- Involve your child in flushing toilet and washing hands after changing.
- Talk about the pee or poo in the nappy, and explain that it goes in the toilet.
- Use the same words for pee/wee/poo/toilet. Everyone should use the same words.
- Make sure the bathroom is child friendly. You may need to provide a step for feet or a potty or seat.

GETTING READY

- Dress your child in clothes that are easy to pull down and up.
- Have plenty of pants available – there will be accidents.
- It may be helpful to look at some picture books about using the potty or toilet with your child.
- You could use the app 'Poo goes home to Pooland' (A cartoon story you can download on a phone to encourage a child who is reluctant to use a toilet and prefers to poo in a nappy)

STARTING TO USE THE TOILET OR POTTY

Work out how often your child does a wee and bring them to the toilet before that. Check how long their nappy is dry. A piece of kitchen roll inside the nappy can help with this. If the nappy is dry for up to 2 hours, take them to the toilet before the 2 hours is up.

It may be helpful for your child to watch a trusted adult use the toilet.

Don't ask your child if they want to use the toilet, just take them, saying 'It's toilet time'.

Praise your child when they use the toilet.

- When your child is using the toilet enough that the nappy is usually dry, you can try taking the nappy off and using pants.
- Accidents will happen. Clean up any accidents with no fuss.
- Keep to a routine.

You can use a picture schedule to help your child understand.

It's toilet time.

Trousers down

Pants down.

Sit on toilet.

Pee.

Use toilet paper.

Pants up.

Trousers up.

Flush.

Wash Hands.

Dry hands.

You could cover the steps using Velcro once completed

Use the same simple language to break down steps

Praise your child when they use the toilet.

Encouraging your child to stay on the toilet

Sometimes it is helpful to sing songs or look at books to encourage your child to stay on the toilet a little longer.

Bubbles or another activity can help too.
