

Use your finger to write the word on sandpaper. Say the letter names as you write.

Write the letters in the sky as you say the letter names.

Write your word on your partner's back one letter at a time. Can they guess the word?

Using large writing, write your word on the whiteboard or large piece of paper.

Make your word using plastic tiles or letters.

Say your word. Feel your chin drop as you count the syllables.

Use your arm like an elephant trunk. Swing your trunk to write the word. Say the letter name as you write.
