

## Resources to help develop your child's communication skills\*

The Communication Trust has a range of resources to support speech, language and communication. A link to the main website can be found [here](#).

The [Listen Up](#) resource provides a range of activities and suggestions that can be used to help develop your child's communication skills.

[Small Talk](#) provides information about what helps children aged 0-5 learn to talk and listen. It has lots of lovely advice and ideas for you to try.

[Helping Your Deaf Child to Develop Language and Communication 0-2](#) is produced by the National Deaf Children's Society and includes useful strategies and tips to stimulate your young child's communication and language skills.
