

EA SEND Transformation Parent & Carer Engagement Sessions

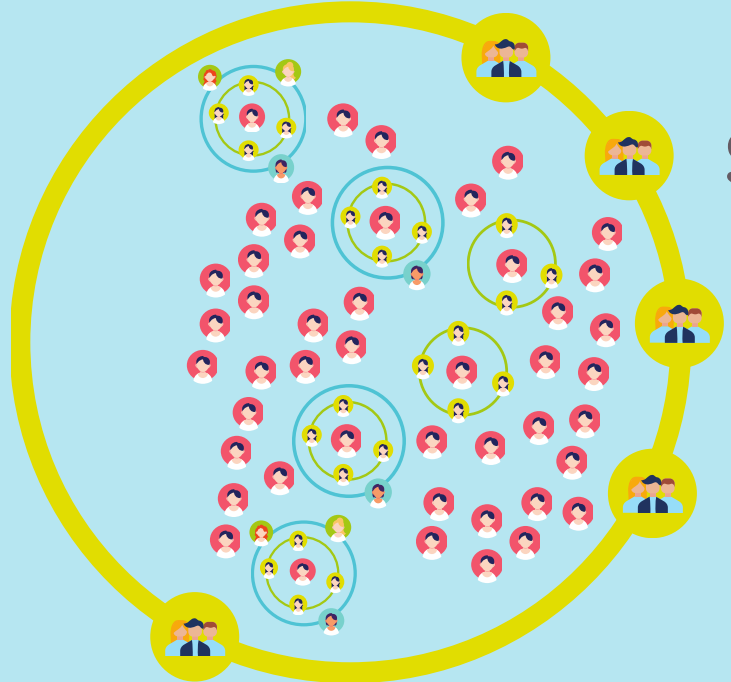

15 & 17 October 2025

Graduated Response Framework

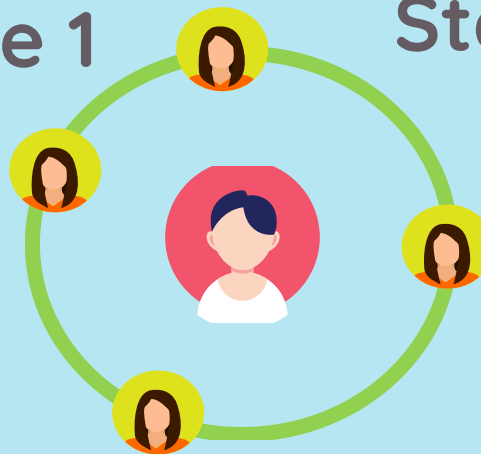

Learning Continuum

Whole School

Reasonable adjustments

Stage 1

Stage 2

Stage 3

Graduated Response to Special Educational Needs in Mainstream Schools

2025

Information for Parents and Carers about: The Graduated Response

How the needs of children and young people (including those with Special Educational Needs - SEN) and or disabilities are supported across mainstream schools in Northern Ireland

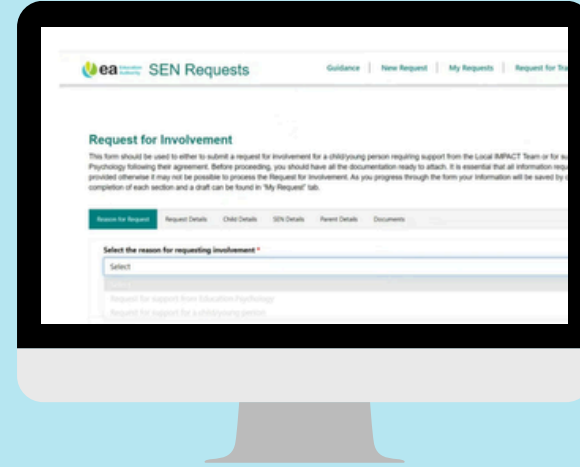

SEND Local IMPACT Teams

8 services combined into local multi-specialist teams.

SENCo can refer child without Educational Psychology involvement.

Request for Involvement submissions are now reviewed collectively by these teams.

Direct relationship building between LIT and setting.

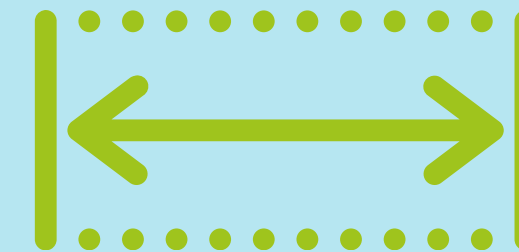

Request for Involvement

A single route for requesting support.

2 cycles of a Personal Learning Plan / Individual Education Plan required before referral.

SENCo will decide length of PLP/IEP cycle.

Increased Support for SENCOs

Packages of Support

Support packages will run up to 12 weeks maximum and then reviewed.

Outcomes at this point will inform next steps.

The support package will either:

Continue as is.

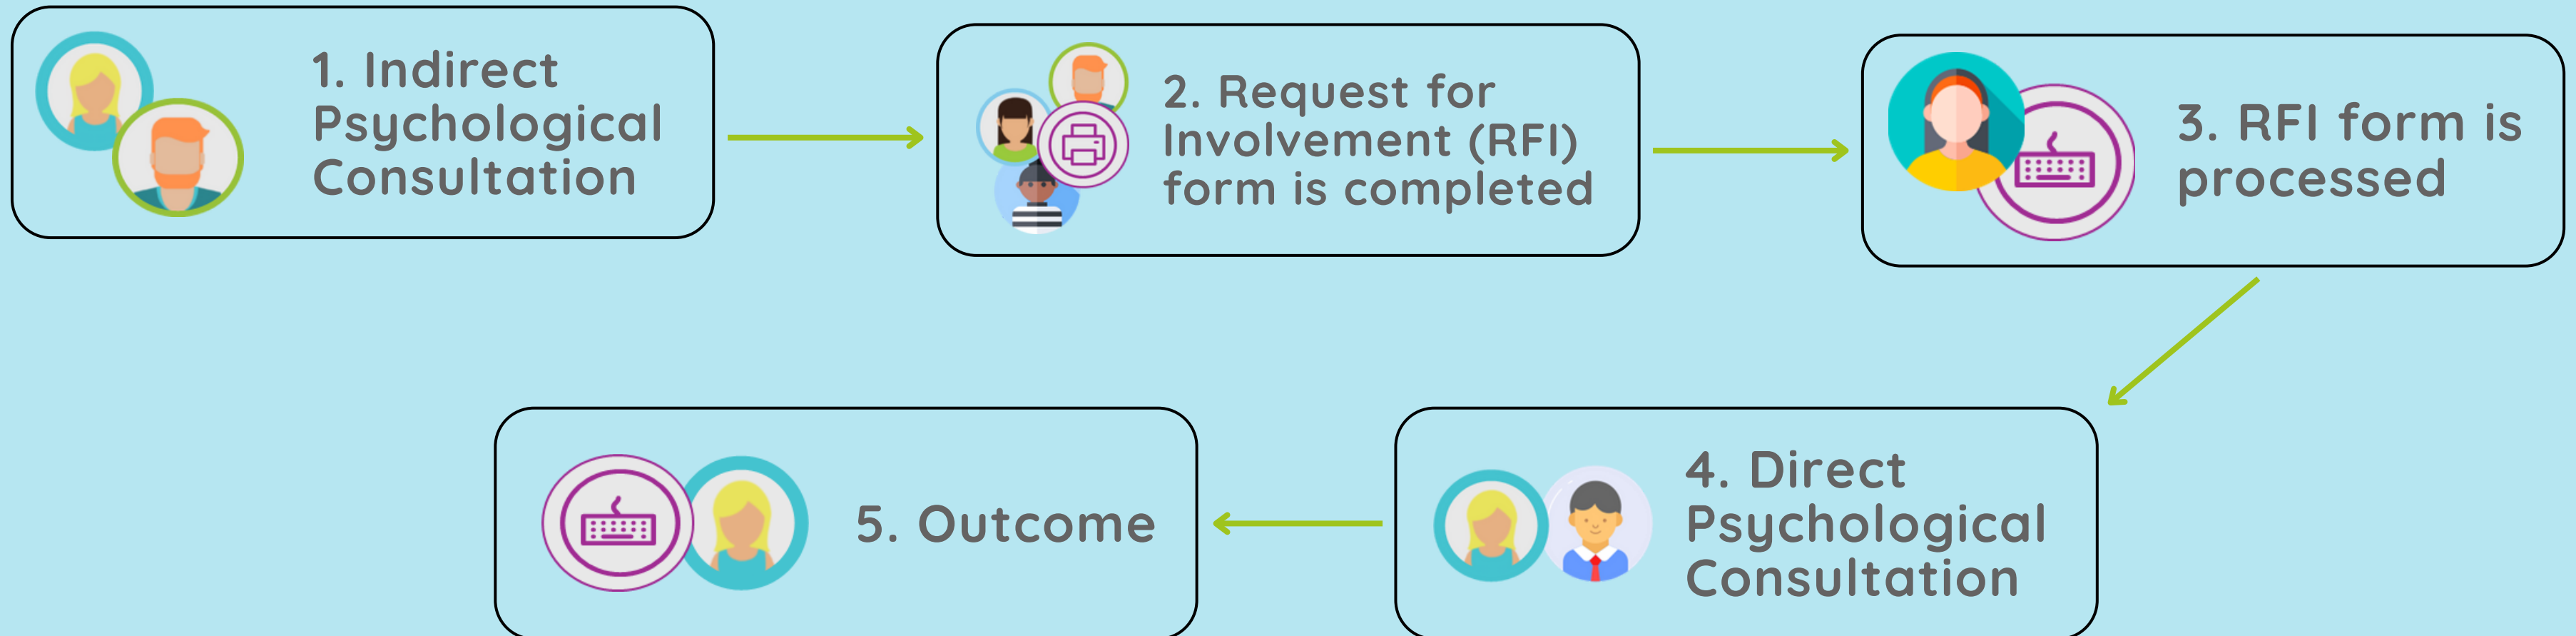

Conclude.

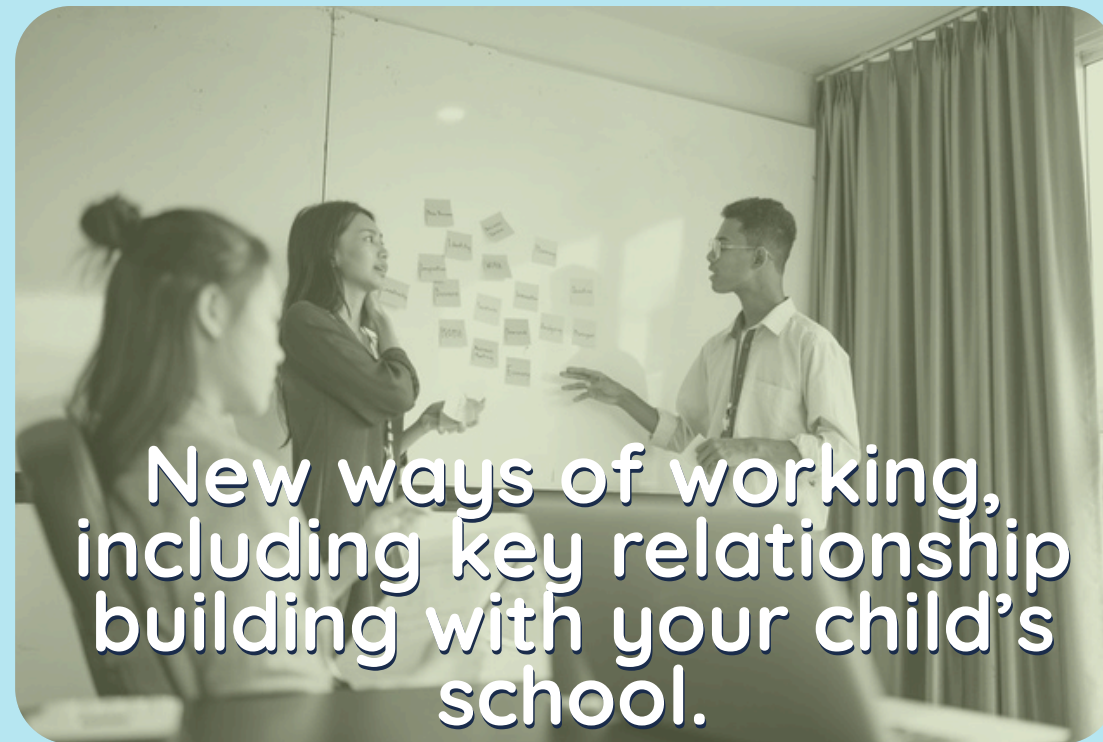

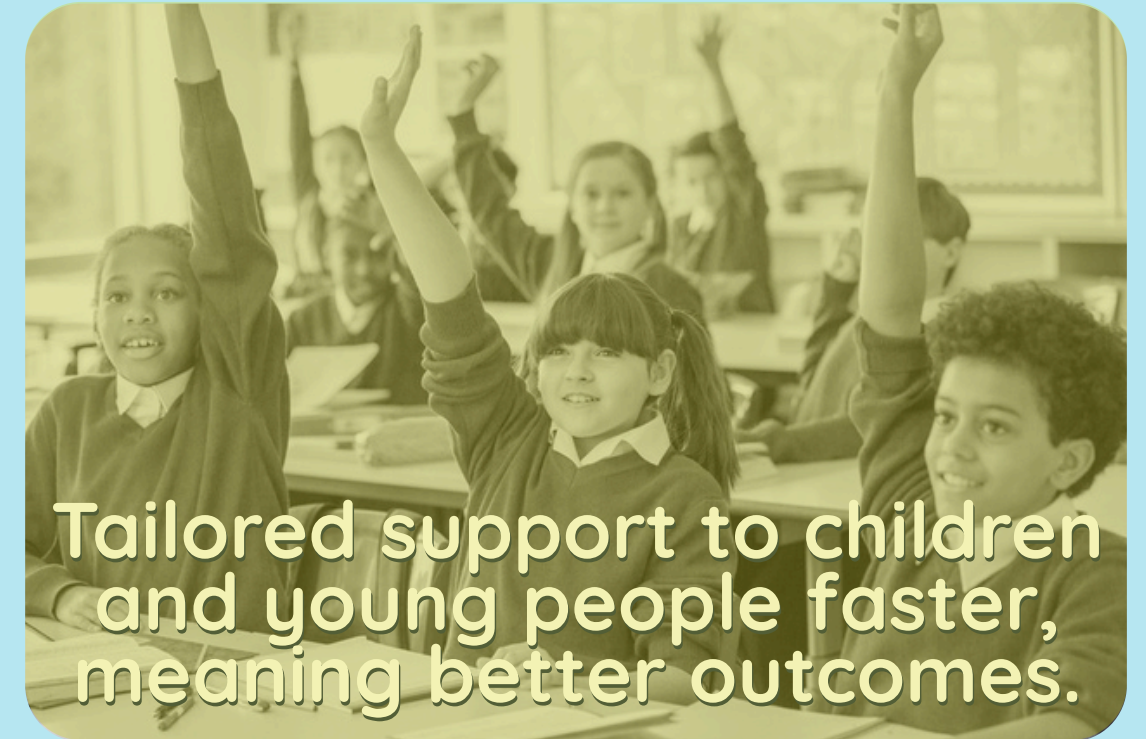

Be altered or escalated.

Educational Psychology Service

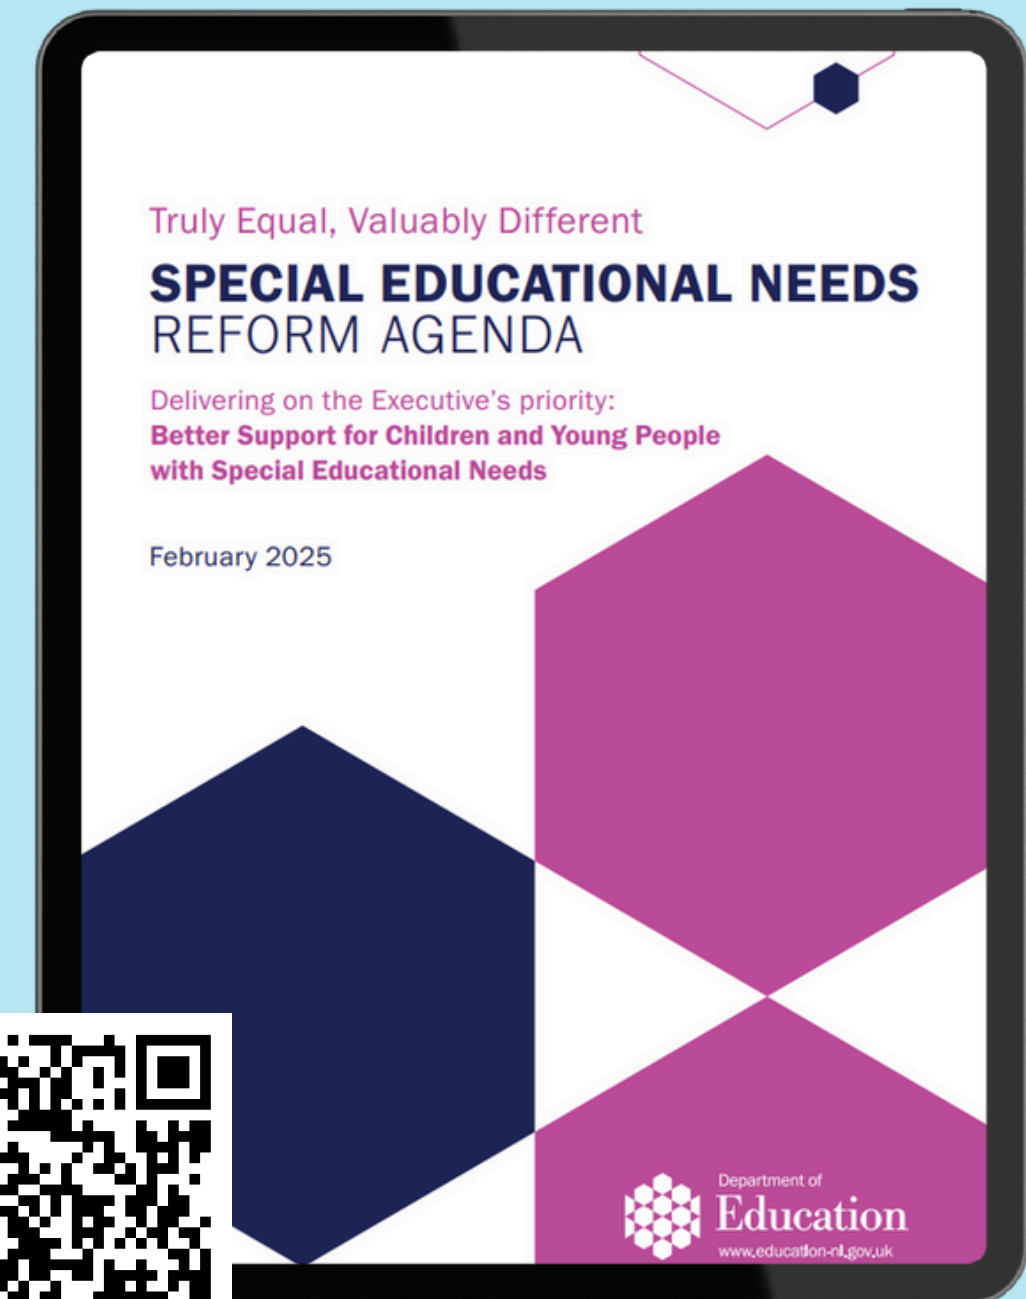

Benefits of having your SEND Local IMPACT Team

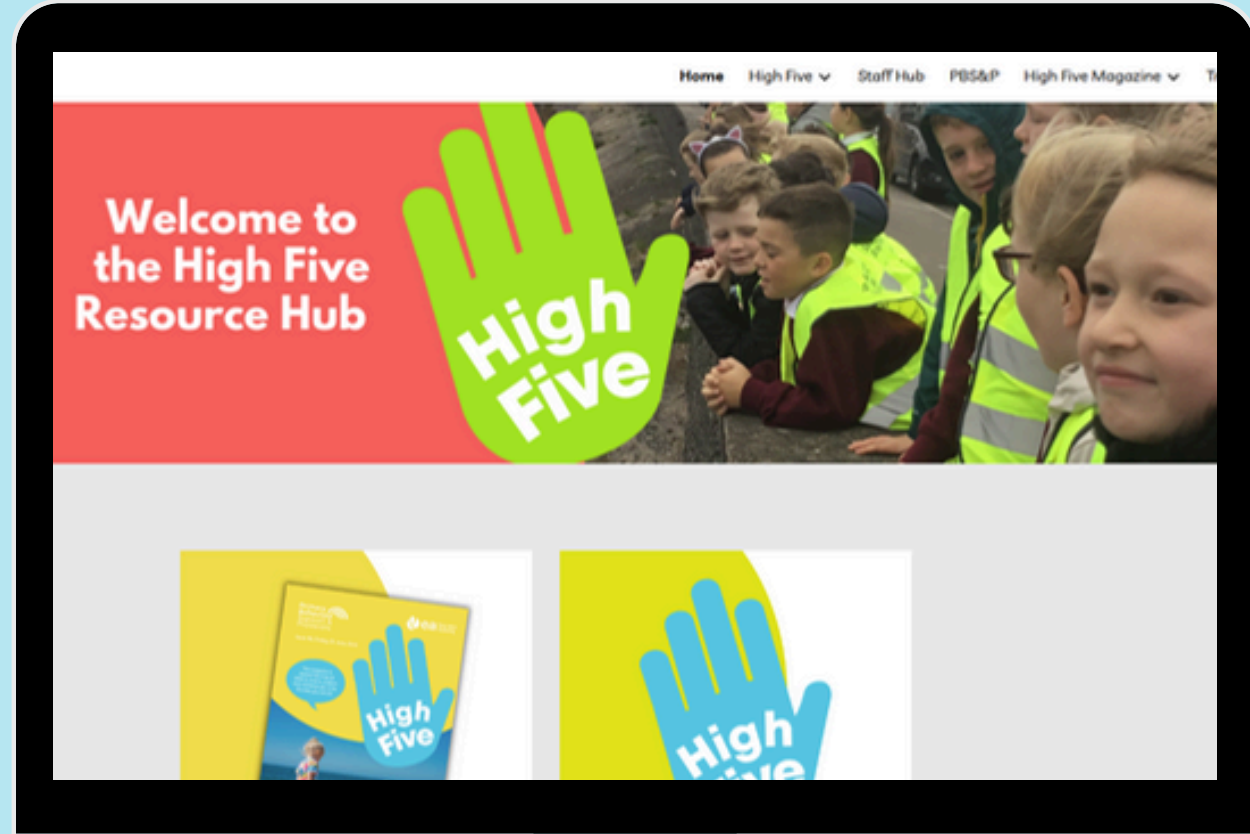

SEN Reform Agenda

- The SEN Reform Agenda and Delivery Plan - published in February 2025.
- Five-Year Delivery Plan sets out a series of actions under: **Right Support, Right People, Right Time and Right Place.**
- Funding of £27.5m secured from Public Sector Transformation Fund.
- Range of actions including early intervention, new models of support in schools and the digitisation and streamlining of the statutory assessment and review process is underway.
